

Cleaning **Fastlane**

What?

Direct access to the on-site cleaning area **without announcement** at the office. Fastlane users have the exclusive advantage to **access the cleaning area** – on their arrival.

How?

We kindly ask you to fill in a pre-announcement form and send it to depotservices@vanloon.be prior the cleaning.

You will immediately receive a login document containing the Cleaning Instruction Barcode and tank number. When the login document is provided to the involved driver, the driver can use the barcode at GATE 3 to enter the area by using the barcode on a mobile phone or the printed bar code.
